

## PVC ADAPTOR

# ADAPTOR

OUR 6" PVC ADAPTOR FEATURES A TOP-EDGE RING FOR AN IMPROVED FIT THAT ELIMINATES SETTLING AND SHIFTING, MAKING IT A COST-EFFECTIVE SOLUTION FOR MAINTAINING VALVE BOX STABILITY.

## Advantages

- Cost effective
- Remolded top-edge ring for improved fit
- Easy to install
- Manufactured from recycled "green" natural rubber
- Centers pvc pipe over operating nut
- Protects epoxy coating of valve
